

TE HA ORA (Breath of Life)

A private tour for the bride and groom conducted by Kalehua Featheran, life long resident of Hawaii and the 10th great grandson of Paea, King Kamehameha I. This half circle island tour takes you to places that many who visit our islands will not get to see.

Kalehua offers a 4 hour half circle island tour valued at \$400.

As a thank you for allowing me to officiate your wedding, I am offering you this one of a kind tour for a donation of \$285. I guarantee you not be disappointed. As I mentioned in your hookupu wedding ceremony, “you are now a part of my family”. Allow me to show you Hawaii through my eyes and soul.
